

COMMITMENT OF THE MANAGEMENT

At „MTG Dolphin“ Shipyard, Quality is an integral part of our Company Business Principles. These principles guide us to deliver products and services that are safe, compliant and of high quality. Our commitment may be expressed by the line:

SHORT TERMS, HIGH QUALITY, COMPETITIVE RATES

The “MTG Dolphin” Quality Policy summarizes the essential elements of our commitment for excellence and includes:

- To comply to great extent with customer's requirements;
- To continually improve the effectiveness of the ship repair and shipbuilding processes through development and improvement of the infrastructure;
- To increase the market share and to maintain its position in the field of ship repair;
- To continuously refine and improve the effectiveness of the quality management system according to the EN ISO 9001-2008;
- To meet the requirements of the national and international standards;
- To meet the requirements of the Classification Societies;
- To strictly comply with the health and safety requirements;
- To improve the organization and comply with the working time;

We implement the Quality Policy through the application of our “MTG Dolphin” Quality Management System.

“MTG Dolphin” Management takes responsibility to ensure that Quality Policy is annually reviewed and communicated to all employees and third parties.
